

Yaraändoo Ski Club Cooperative Limited

COVID Safe Summary – Winter 2021

Changed lodge operations:

Check in after 2pm

Check out before 12noon

No overlapping
bookings

Occupants to sign a
waiver

Cleaning register to
be maintained

Items you will need to bring / personal items:

Bring own sleeping
bag or blanket for
extra warmth

All personal items
to be stored in
bedrooms

Blankets, books &
games locked away.

Doonas, pillows, sheets
& towels still available.

Common areas:

Kitchen use to be
coordinated in shifts

Plates, cutlery, glasses,
etc. must use *hot*
dishwasher cycle

Ski & snow boots only
in the drying room as
it's a high-risk area

Some rooms have
reduced capacity

Bedroom 4:	2	Laundry:	1	Workshop:	1
Bedroom 5:	2	Keller:	3	Outdoor deck:	4
Bedroom 6:	2				

Additional Information:

Please refer to the Club's *COVID Safety Management Plan* for full details

A member and/or their guest/s will not be permitted to stay or visit the lodge if:

- They are or have been infected with COVID-19 and have not recovered and are clear of the infection (ie. COVID-19 negative).
- They have been or have returned from overseas immediately prior to visiting the Lodge and have not been through the required quarantine/isolation period and have not tested negative for COVID-19.
- They are subject to a quarantine notice, self-isolation notice or similar.
- They have or may have been in contact with a known infected person and have not tested negative for COVID-19 after the expiration of the incubation period (nominally 14 days).
- They are unwell and/or are showing symptoms of COVID-19 and have not tested negative or those test results are not yet available.

Members and guests are responsible for ensuring the Lodge has been cleaned to a high standard as defined in NSW Health advisory publications as this is an important strategy to minimise transmission risk. Not following this directive may lead to the Lodge being shut down. The COVID-19 cleaning register must be updated on each day of your stay, and faxed to the Lodge Manager at the end of your stay.

If a person staying in or visiting the Lodge has or contracts COVID-19, the following process will be undertaken:

- The infected person must notify the Yaraandoo Board immediately and provide any and all information requested of them without delay.
- The infected person will immediately be isolated and remove themselves from the Lodge to suitable premises/other accommodation/hospital. Transfer of the infected person will follow any specific requirements issued by the NSW Department of Health.
- The Lodge will be shut down as rapidly as possible and all occupants will be required to vacate the premises. All occupants will be advised to self-isolate and undergo testing.
- Refer to the Club's *COVID Safety Management Plan* for further details.

If a person has symptoms of COVID-19 but the infection has not yet been confirmed, the following process will be undertaken:

- The person who has the symptoms will be required to have a COVID-19 test without delay.
- The person shall isolate themselves in their allocated bedroom until such time as the COVID-19 test result has been advised. If that person is a minor then their parent or guardian will be responsible for the care of that minor and the parent/guardian shall also isolate themselves with their child.
- The person may choose to vacate the Lodge prior to the outcome of a COVID-19 test. The guest will be required to inform the Club of the results of the COVID-19 test as soon as they become known.
- Refer to the Club's *COVID Safety Management Plan* for further details.

For COVID Safe operation of the lodge, all occupants must abide by the directions given by the Assistant Lodge Manager during your stay, and by any direction given by the Board.
